CHOIR JOLLIFIES	
The choir of the Presbyterian church were the guests of Mrs. E. Brown at the monthly jollification in the social hall of the church last evening after the regular rehearsal. The usual humorous and surprise element was very prevalent. Eighteen sat down to a delicious repast seasoned with great merriment and mutual take-offs. The choir will repeat by special request the much spoken-of program that was sung last Sunday evening, tomorrow at 7:30 p. m.

VIOLA DANA AT THE BUTLER TODAY

In the story of "Blackmail," a special Metro production which will be shown at the Butler today, that seamy side of life which has such a weird attraction for the other half boys is an important part.

The screen version is from the story of Lucia Chamberlain as published in the Saturday Evening Post. It tells the story of the beautiful, charming daughter of a master crook who when dying urges her not to let the cops forget the name he has made notorious. Acting upon her father's request, the girl ensnares a rich young man whose main bid for time is the size of his bank-roll. For the mother of the young Croas, an artfully steps in and with the aid of a resourceful lawyer gives her an entirely unexpected twist in this production of the silent underworld. Viola Dana stars in a role which gives her extensive opportunity to display her versatility. Her characterization of the dark beauty of the demimonde shows her in a different vein from her other pictures. Added to the feature will be a two-reel comedy, "A Tray Full of Trouble."

Tomorrow, Edith Roberts in "The Movable Savage" and "The Lost One," the wild animal picture. Monday, Neil Burgess's famous rural drama "The County Fair."

BIG STANDARD RIG FOR FISH LAKE MERGER OIL CO.

The launching of a new corporation in Tonopah is a too common occurrence to ordinarily attract more than passing attention, but the Fish Lake Merger Oil company, just organized, should be of special interest to all who are interested in the upbuilding of Tonopah.

The officers of the Merger are C. W. Taylor, president; George A. Foster, vice president; E. N. Richardson, secretary-treasurer. The holdings of the company consist of 2500 acres held by United States permit under the new oil leasing law.

Messrs. Taylor and Foster are now in California making a deal for a big Standard rig. Two of the sections included in the Merger's holding are especially referred to in Mr. C. A. Fisher's report on Fish Lake as being the most promising for oil. Mr. Fisher was formerly with the United States geological survey, and is one of the best known and most successful geologists in the country.

Five geologists of national reputation have made favorable reports on Fish Lake, in fact, as far as known, this district has never been mined down by any geologist or experienced oil man. It would seem there was not much doubt but oil will be discovered at Fish Lake, and in putting on a Standard rig the Merger company is prepared to go as deep as may be necessary, although according to the geologists, the oil should be encountered at shallow depth.

The Merger company is capitalized for \$250,000 represented by 250,000 shares of the par value of 10 cents each.

The company has allotted a certain amount of its stock to be offered to home people at 5 cents a share, the price to be advanced to 10 cents about March 1.

Mr. Richardson, secretary of the company, states they expect to have the drill in operation in less than 30 days and that it is the plan to work three shifts and push the work with all possible speed. "We propose," said Mr. Richardson, "to make the Merger the strongest and biggest oil company in the state. We have some mighty good men back of us, and we mean business. If the oil

SENATE PRESENTS MANY NEW BILLS

CARSON CITY, Feb. 5.—The senate was presided over yesterday morning by President Pro Tem Griffith, who carried out the regular order of business.

A communication protesting any change in the present primary law was read. This comes from the W. C. T. U. of Reno.

The Washoe Medical society asked that the law regulating the dispensing and prescribing of liquors under the state law be amended.

S. B. No. 21, by Griffith for the relief of the Southern Nevada Agricultural board varying an appropriation of \$210, was referred to the ways and means committee.

S. B. 32, by Miller, fixes the salaries of the Mineral county officials, and was sent to the Mineral delegation.

S. B. 33, by Miller, consolidates the office of the district attorney, making him ex-officio public administrator. This was also sent to the Mineral delegation.

S. B. 34, by Clark, relative to ceding state lands to the federal government, where occupied by federal buildings, was referred to the judiciary committee.

S. B. 35, by Scott, civil proceedings relative to the dismissal of cross-complaints. This went to the judiciary committee.

S. B. 36, by Scott, relative to civil practice amendment relative to the cause of action. Sent to the judiciary committee.

There being no bills on the general file, the senate recessed until 2 p. m.

Assembly

The assembly adopted senate amendments to the Arnold resolution regarding investigation of the State Bank & Trust company, which enlarged the scope of the investigation.

A. B. 15, which was amended by the senate, goes back to that body as the lower house refused to concur in the amendment relative to the bonuses for the state for school districts.

S. B. 23, the Crimby county bond bill, was resolved in the assembly and was sent to the Crimby county.

There and the geologists say it is well and it and we do not propose to be all summer doing it.

"We are giving our Tonopah friends a chance to get in at 5 cents a share and it's up to them—we shall not leave it at this price long."

EIGHT HOUR BILL IS NOW ON TABLE

CARSON CITY, Feb. 5.—When assembly "collar-to-collar" bill 25 was brought before the lower house of the legislature Thursday forenoon for third reading and final passage, its sponsor, Mr. Arnold, moved that it be made a special order for February 17 at 2 o'clock in the afternoon Assemblyman Hill's motion that the bill be laid on the table was declared carried by the speaker.

On roll call demanded by Arnold, Cross, Smith and Royle, the motion to lay on the table carried by a vote of 18 to 14.

The measure thus tabled is the "collar-to-collar" bill providing that the eight hours per day employment of men in underground workings shall include the time occupied or consumed in descending to and

ascending from the point or place of work in any underground mine, in the time employed, occupied or consumed in leaving the surface of any tunnel from the point or place of work therein, and in returning there to from said place or point of work." Comment heard after the roll call was to the effect that if the motion had been on indefinite postponement the vote in favor of action would have been large. Members were heard to declare that they voted against laying the measure on the table, but would have voted in favor of indefinite postponement.

GERMANY FEDERATION CRIES OUT "SLAVERY"

(By Associated Press)

BERLIN, Feb. 5.—The German Federation of Trades Unions has issued a manifesto protesting against the reparations decision reached in Paris, declaring that "slavery, which has been abolished in Africa, is to be introduced in Europe."

GUSMAN IN COURT

Attorney William McKnight, who represented Trinidad Gusman in the trial just heard before Judge M. R. Averill in the district court, this morning made a motion for arrest of judgment in pronouncing sentence. The hearing and arguing of the motion will be heard this afternoon at 4 o'clock.

A. B. 46, by Moder, provides for preservation of manuscripts and records of historic value. Referred to the library committee.
